Harvester Support Program

Moved by: Joe Attagutaluk

Seconded by: Levi Barnabas

WHEREAS Nunavut Harvester Support Program (NHSP) was created 1993 to provide financial assistance to Inuit hunters to enable them to continue to pursue traditional livelihood by wildlife harvesting;

AND WHEREAS over the years NHSP has consistently provided valuable financial supports to Inuit harvesters;

AND WHEREAS many Inuit beneficiaries wish to have a review of the overall effectiveness of various programs provided by NHSP, especially given that there is insufficient funding in the trust to fund NHSP at the current level in the long term;

AND WHEREAS discussions are ongoing on NTI transferring the management of NHSP to the Regional Inuit Associations (RIAs) as part of the Closer to Inuit process;

NOW, THEREFORE, BE IT RESOLVED THAT the Members direct the Board of Directors and staff to conduct a review of current programs provided by NHSP including without limitation the overall effectiveness of these programs and how to fulfill its objectives in the long term.
