Before completing this form, please ensure you read and understand *Makigiaqta Call for Project Concepts 2017-18*. It presents background information, strategic priorities and identifies the types of activities Makigiaqta is seeking to support.

1. Which of Makigiaqta's Strategic Priorities do you propose to address through your project?
Please select all that apply.

Early learning systems,

Wrap-around Supports for Success in K-12

Foundational Skills Development for Adults

Advanced Training & Post-Secondary Linked with Employment

2. Please provide an overview of the project – include project objectives and the anticipated deliverables. The information should describe “what” you are proposing to do and “why” it should be done.

3. Please describe the key activities of your proposed project. The information should describe “how” the activities will meet the objectives described above. Where possible, and to the extent you are currently prepared to do so, include the proposed timeline(s) for each project activity.

4. Briefly describe the connection of the projects objective(s) and activities align with or contribute to Makigiaqta’s Mandate and Strategic Priorities.

5. Describe the resources (if any) that will be developed or adapted through your project.

6. Summarize the estimated project costs and sources of funding in the table below. You may use another format that provides as much information as you can at this stage in project planning.

Project Cost	\$ salary/fees	\$ Travel	\$ other (Please Specify)	Proposed Makigiaqta Contribution	Proposed contribution - other sources
Activity (example: research existing resources and identify gaps)	\$250/day X 3 days = \$750			\$750	
Activity (example: Resource development)	\$350/day X 4.5 days = \$1,575			\$1,000	\$575 (will apply to XYZ program in Dec.18)
Activity (example: design and printing of trainer guide)			\$4,000 Printing		
Project category (example: training 7 Inuit as trainers in X program)	1 facilitator @ \$350/day X 2 days = \$700 7 participants @ \$250/day X 2 days = \$3,500 Elder honoraria - 1 elder, \$400/day X 2 days	Travel for 7 participants, estimate \$3,500 per participant = \$24,500 *includes airfare, accommodation, per diem *estimates only,	Meeting facility rental - \$500/day X 2 days = \$1,000 Catering = \$300/day X 2 days

7. Partners: Identify others who are providing funding or other support (confirmed) or others who would be approached to provide additional funding and other support to the proposed project (not confirmed). Describe the confirmed or desired role or contribution for each of the partners.

Our organization is registered and in good standing and agrees to provide relevant organizational and project information upon request. Further, we understand that submission of this project concept does not guarantee funding or other support from Makigiaqta, and that if the project concept is selected for further exploration and development, we will work in good faith with program staff to further develop the project concept.

Project Concept Summaries must articulate proposed initiatives and resources, and make specific links describing how projects will achieve the intended outcomes and how they relate to one or more of Makigiaqta's four Strategic Priority Areas. Priority will be given to initiatives that are Inuit-led and, in addition to fulfilling Makigiaqta's employment and training objectives, support and enhance Inuit language and culture in Nunavut.
