Resolution #: RSA-19-10-12

Reinstatement of Boards

Moved by: Donna Adams

Seconded by: Joe Ataguttaaluk

WHEREAS Inuit were able to manage through community representation on the Health Divisonal Boards and Education Divisonal Boards, made their own decisions and controlled their own services and programs;

AND WHEREAS the Government of Nunavut (GN) terminated the Health and Education Divisonal Boards in 2000, after the creation of Nunavut in 1999;

AND WHEREAS since the termination of the Regional Health and Education Boards 20 years ago, Inuit have not received adequate services by the Department of Health nor the Department of Education and the government has not served their needs based on their priorities;

AND WHEREAS Nunavut Inuit deserve better services, that are better coordinated and reflective of their health care needs and to stengthen the teaching of Inuktitut in the education system and increase the graduation rates, that can be better served by the reinstatement of Divisional Boards.

NOW, THEREFORE, BE IT RESOLVED THAT Members call upon the GN to reinstate the Divisional Health and Education Boards to better serve Inuit.
