COMMUNITY SURVEY TO SUPPORT INUIT LEAD HEALTH RESEARCH

(March 1, 2022– Iqaluit, Nunavut) Nunavut Tunngavik Inc. (NTI) is asking Nunavummiut to fill out the Qanuippitaa? Community Engagement Survey.

Qanuippitaa? National Inuit Health Survey (QNIHS) is an Inuit-led health research project that will inform decision-making to improve health and wellness among Inuit in Canada that will take place in all 25 communities in Nunavut in 2023 and 2024. Participation in this survey will help NTI assess the logistics required for Qanuippitaa? National Inuit Health Survey (QNIHS) delivery in every community.

Every participant will have an opportunity to enter a draw for one of 25, 100\$ gift cards to their local store. The deadline to enter the draw is March 4th, 2022, 11:59 pm ET.
