

Nunavut Tunngavik Incorporated  
**ANNUAL GENERAL MEETING**

**Rankin Inlet, Nunavut**

**October 26-28, 2010**

**Resolution#: RSA 10-10-20**

**Nunavut Transportation Conference**

**Moved by: Jose Kusugak**

**Seconded by: Philip Paneak**

**WHEREAS**, Nunavut is the largest territory/province in Canada with 28 scattered communities and no road connections between the communities;

**AND WHEREAS**, none of the communities is connected to Southern Canada by highway or railroad, and only two of the communities have paved runways;

**AND WHEREAS**, although all but one of the communities is located on the coast, only one community has a port with limited capacity;

**AND WHEREAS**, it is well recognized that Nunavut is in urgent need of transportation infrastructure including without limitation highways, railroads, ports and improved airport capacity;

**NOW, THEREFORE, BE IT RESOLVED THAT** the Members direct the Government of Canada to fund a transportation conference in Nunavut for the purposes of producing a transportation strategy that is reflective of the increasing need of transportation infrastructure in Nunavut, and discussing the immediate implementation of such a strategy;

**AND BE IT FURTHER RESOLVED THAT** the Members direct the Government of Canada to work with the Government of Nunavut, NTI, RIAs, the chambers of commerce and industry representatives to organize the transportation conference on an urgent basis.
